## KS2 SATs

The KS2 SATs are fast approaching (week beginning Monday 12<sup>th</sup> May).

It is really important that the children arrive promptly to school this week so that they can start on time. Your support with this will be greatly appreciated and if you are running late through no fault of your own, please telephone the school as soon as possible to let us know.

The school will provide any equipment that the children need, but please ensure they have a water bottle to keep on their desk during the tests to keep them hydrated and that they have had their usual breakfast in order to have the best possible start to their day.
