Year 6 Summer Term 5&6

K\$2 Production

This year, we intend to produce an extravaganza based on the musical/film

Once parts have been cast, we may ask for support with specific props/costumes if you are able to help. Thinking ahead though, if you do have any props or costumes that you think may be of use, please send them in as soon as you can, making sure you name them so that they can be returned afterwards.

Thank you in advance.

Notices

**The sunshine is
gradually
appearing...**

Please could you make sure that your child has a water bottle filled with fresh water each day. Cold water is best, please do not send in iced water as this takes time to melt.

Please also ensure that your child has sun-cream applied before school and brings in a hat for when outside.

*Many thanks
Mrs Weir Mr Kotze*

Key Dates

11th - 14th May SATs Week

6th May at 6pm - Residential Meeting for parents

8th - 12th June Year 6 Residential

14th and 16th July - Year 6 Production - Time TBC

KS2 SATs

The KS2 SATs are fast approaching (week beginning Monday 11th May).

It is really important that the children arrive promptly to school this week so that they can start on time. Your support with this will be greatly appreciated and if you are running late through no fault of your own, please telephone the school as soon as possible to let us know.

The school will provide any equipment that the children need, but please ensure they have a water bottle to keep on their desk during the tests to keep them hydrated and that they have had their usual breakfast in order to have the best possible start to their day.
